

ABOUT US

WHO WE ARE

We are Youth Unlimited Edmonton, whose vision is to be a primary influence within the youth culture of the capital region, in order to foster the transformation of current negative elements of the culture into one of love, hope, realized potential, and positive social action.

We see the hope and potential in every young person, and desire to walk alongside teens as they explore their potential and discover hope for themselves and their communities.

WHAT WE DO

Our Four Pillars of Care: We strive to invest in the lives of youth by providing Holistic Care, Mentoring Relationships, Safe Communities, and Opportunities to Give Back.

Throughout our youth centres the programming varies slightly. Each centre has attractions such as music equipment, computers, video games, ping pong, foosball and pool. We have board games, free snacks and food, gym space, and more. While these attractions bring youth into our centres, what often keeps them coming is the leaders who invest time and energy into mentoring them. Behind each game or event or meal our primary purpose is to build relationships, walk alongside the youth through big life changes and choices, and help equip them for their future. The aim is to equip youth to develop and employ leadership skills, grow in their life skills, and recognize and utilize their gifts and talents. As much as possible we'll partner and work with other organizations and professionals to provide the necessary supports.

WHO WE SERVE

As a faith-based organization we strive to treat each youth we encounter in a way that reflects the love and grace of Jesus. We value and serve all teens as equals, regardless of their faith, sexuality, culture or circumstance. We provide barrier-free, fully inclusive support to all youth in all of our programming! The age demographics we focus on are grades 6-12 (roughly ages 12-18).

WHY WE SERVE

Our goal for youth is not simply prevention, but positive life transformation! We desire for each youth to reach their full potential, and will work with them in a contextualized and personalized way to make that happen.

"I really like this place because I feel like I can really just be myself here and feel comfortable in who I am."
